

**What is LAMP?** It is a cross-cultural ministry sharing Jesus Christ with God's people in remote communities in northern Canada. Rev. Les Stahlke recognized that many Christians in the North were isolated and spiritually unsupported and many more did not know of Jesus. He began visiting these communities in his small, single-engine aircraft, and with the support of the LWML, churches, and others, the ministry grew.

**How does LAMP serve?** Sent by churches in Canada and the United States, volunteer missionaries hold Vacation Bible School and serve alongside locals in meaningful ways to reach children, youth, and adults. Social media, off-season visits, texts, email, and mail have helped volunteers to encourage and build year-round relationships with the Indigenous people they have come to know as family! Read more in our newsletters at [www.lampministry.org](http://www.lampministry.org)

God uses people like YOU to bring hope to these remote communities with the love of Christ through the power of the Holy Spirit and God's Word. By the grace of God, LAMP has shared the unchanging message of Jesus Christ since 1970!

*We learned that we have touched the lives of some in the past as we had many young adults come up to us and ask, "Remember me? I was in your Bible school 10 years ago." That and their welcoming smile on their face was the best.*

*~ Lori, volunteer who serves in Shamattawa, Manitoba*

### Ways you can transform lives in the North:

- become a volunteer
- donate to the ministry
- support a staff missionary
- pray for the needs of the communities
- become a prayer partner
